Allergens Handbook

Introduction

We produce our food in kitchens where allergens are handled, and where equipment and utensils are used for multiple menu items, including those containing allergens. While we try to keep things separate, we cannot guarantee any item is allergen free even after ingredients have been removed on request.

Bross bagels use the following allergens in their products and kitchen:

Celery, Cereals (Gluten), Eggs, Fish, Milk (Dairy), Mustard, Nuts, Peanuts, Sesame, Soya, Treenuts and Sulfites.

*CC - May contain due to Cross-contamination within Bross or from manufacturing

*X - Contains allergen
